Explanation.—The expression "Non Brahman (Hindu)" shall include every community other than the Brahman, the Muhammadan, the Anglo-Indian, Christian or Non-Asiatic, and the Scheduled classes.

(ii) The stage at which the communal rotation specified in clause (i) shall commence when first applied to any such service, class or category shall be determined by the Local Government.

(iii) If a qualified and suitable candidate belonging to any community is not available for appointment to any such service, class or category in the turn allotted to that community under clauses (i) and (ii) or under this clause, a qualified and suitable candidate belonging to the community next in the order specified in clause (i) shall, if available, be appointed; but the former community shall have a preferential claim for consideration when any subsequent appointment is to be made to such service, class or category until a suitable and qualified candidate belonging to that community has been appointed against that claim.

(iv) Where a probationer belonging to any community is discharged from any such service, class or category otherwise than for want of a vacancy therein, such community shall have a preferential claim for consideration when any subsequent appointment is to be made to such service, class or category until a suitable and qualified candidate belonging to that community has been appointed against that claim.

(v) If, when an appointment to any such service, class or category is to be made, there are two or more communities having a preferential claim under clause (iii) or clause (iv), that community shall receive first consideration whose preferential claim first arose.

(b) (i) Where the special rules lay down that the provisions of this sub-rule shall apply to any service, class or category, appointments thereto otherwise than by transfer, from a corresponding subordinate service or by promotion, shall be so regulated as to secure, as near as may be, the distribution of membership in such service, class or category among the following communities in the proportion specified against each:—

Non-Brahman Hindus—Five out of twelve.
Brahmans—Two out of twelve.
Muhammadans—Two out of twelve.
Anglo-Indians, Christians and Non-Asiatics—Two out of twelve.
Scheduled classes—One out of twelve.

Explanation.—(1) The expression "Non-Brahman Hindus" shall include members of all communities other than the Brahman, the Muhammadan, the Anglo-Indian, Christian or Non-Asiatic and the Scheduled classes.

(2) Appointments to any such service, class or category by transfer from the corresponding subordinate service or by promotion shall be made irrespective of communal consideration.

(ii) Every appointment to any such service, class or category otherwise than by transfer or promotion as aforesaid shall be made from that community which at the time of appointment is most disadvantageously situated with reference to the proportions specified in clause (i); if no qualified and suitable candidate of that community is available, a candidate from the community next in the order of disadvantage who is qualified and suitable shall be appointed. If it is found that the disadvantage of two or more communities is equal, a candidate belonging to any of such communities who is best fitted for the post shall be appointed.

8. *Probation*.—(a) A probationer in a service shall not be eligible for appointment as a full member of such service in any category until he has been on probation in such category or in a higher category of the same service or class, for a total period of two years on duty within a continuous period of three years.

(b) If a person, having been appointed temporarily under sub-rule (a) of rule 4 to a post borne on the cadre of any service, class or category or having been appointed to any service, class or category otherwise than in accordance with the provisions of these rules or of the special rules governing such appointment, is subsequently appointed to the service, class or category in accordance with these rules and the special rules, he shall commence his probation from the date of such subsequent appointment or from such earlier date as the Commission may determine.

(c) No probationer shall, during the period of his probation, except for purposes of instruction or training, be employed on duties which are not normally discharged by members of the service in the category to which he belongs.

9. (a) At any time before the expiry of the prescribed period of probation, the appointing authority may—

(i) suspend the probation of a probationer and discharge him from the service for want of a vacancy, and

(ii) at its discretion and after consultation with the Commission, by order, terminate the probation of a probationer and discharge him from the service.

(b) (i) If within the prescribed period of probation, a probationer fails to acquire the special qualifications or to pass the special tests, if any, prescribed in the special rules, or to acquire such other qualifications as may be considered by the Commission to be equivalent to the said special qualifications or

special tests, the appointing authority shall forthwith, by order, discharge him from the service

(iii) If such probationer has appeared within the prescribed period of probation for any such tests or for any examinations in connexion with the acquisition of any such qualifications, having passed all the other tests and acquired all the other qualifications, and the results of the tests or examinations for which he has so appeared are not known before the expiry of such period, he shall continue to be on probation until the publication of the results of the tests or examinations for which he has appeared or the first of them in which he fails to pass, as the case may be. In case the probationer fails to pass any of the tests or examinations for which he has so appeared, the appointing authority shall forthwith, by order, discharge him from the service.

(iii) Where a test in only one of certain specified vernacular languages is prescribed in the special rules, a person whose mother-tongue is one of the languages so specified or who has taken one of such languages for his university degree shall not be required to pass any language test.

(iv) Where tests in two of certain specified vernacular languages are prescribed in the special rules, a person whose mother-tongue is one of the languages so specified or who has taken one of such languages for his university degree shall be required to pass the test only in one other of such languages, and a person whose mother-tongue is one of such languages and who has taken another of such languages for his university degree or who has taken two of such languages for his university degree, shall not be required to pass any language test.

(v) Where a probationer has, before he commenced his probation, already acquired any special qualification or passed any special test prescribed in the special rules, or has acquired such other qualification as may be considered by the Commission to be equivalent to the said special qualification or special test, he shall not be required to acquire such special qualification or to pass such special test again within the period of his probation.

(c) (i) At the end of the prescribed period of probation the appointing authority shall consult the Commission as to the probationer's suitability for full membership of the service in the category for which he was selected.

(ii) If, after such consultation, the appointing authority considers the probationer to be suitable for such membership, it shall as soon as possible, or in cases falling under clause (ii) of sub-rule (b) as soon as possible after the probationer has passed the tests and examinations for which he has appeared, issue an order declaring the probationer to have satisfactorily completed his period of probation. On the issue of such order, the probationer shall be deemed to have satisfactorily completed his period of probation on the date of the expiry of the prescribed period of probation.

(iii) If, after such consultation, the appointing authority does not consider the probationer to be suitable for such membership, it shall by order discharge him from the service.

(iv) In cases not falling under clause (ii) of sub-rule (b), if no order is issued by the appointing authority under clause (iii) of this sub-rule within three months after the expiry of the prescribed period of probation, the probationer shall be deemed to have satisfactorily completed his period of probation on the date of the expiry of the prescribed period of probation.

(v) In cases falling under clause (ii) of sub-rule (b), if the candidate has passed the tests and examinations for which he has appeared and no order is issued under clause (ii) of this sub-rule by the appointing authority within three months after the expiry of the prescribed period of probation or within one month of the publication of the results of such tests and examinations, whichever is later, the probationer shall be deemed to have satisfactorily completed his period of probation on the date of the expiry of the prescribed period of probation.

(d) An order discharging a probationer issued under clause (ii) of sub-rule (a) or clause (i) or clause (ii) of sub-rule (b) or clause (iii) of sub-rule (c) shall have effect from the date on which the probationer is discharged.

(e) No order passed under clause (iii) of sub-rule (c) shall be based either wholly or in part upon the probationer's work or conduct after the expiry of the prescribed period of probation.

(f) (i) It shall not be necessary in any order discharging a probationer passed under clause (ii) of sub-rule (a), clause (i) or clause (ii) of sub-rule (b) or clause (iii) of sub-rule (c), to specify the reasons for such discharge, but such order shall state whether or not the Commission recommended such discharge. A copy of the order, together with the reasons therefor, shall be communicated to the Commission. A probationer who is discharged contrary to the recommendation of the Commission shall be entitled to appeal against the order of discharge as if it were an order of dismissal.

(ii) No probationer discharged under any of the provisions referred to in clause (i) shall be eligible for re-appointment to the service in the category from which he has been discharged or a higher category of the same service or class:

Provided that a probationer recruited by transfer who is so discharged may, after a

period of three years from the date of such discharge, be appointed to the service in the category from which he was discharged as if he had not been previously appointed thereto. A person so appointed shall for all purposes be regarded as having been appointed to the service in such category for the first time on the date of his appointment thereto under this proviso.

(g) For the purposes of this rule, "prescribed period of probation" shall mean the period of probation specified in sub-rule (a) of rule 8 or any other period prescribed in this behalf in the special rules.

10. (a) A probationer or an approved probationer may be appointed to officiate in any permanent or temporary post borne on the cadre of the service, class or category for which he was selected, or in a higher category of the same service or class, provided he is qualified for holding such post.

(b) Notwithstanding anything contained in Fundamental Rule 30, there shall be paid

(i) to a probationer recruited by transfer from the corresponding subordinate service, the pay specified in the special rules in that behalf, or if no such pay is specified therein, the pay which would be admissible to him if he were a full member of the service in the category in which he is holding a post, as modified in the latter case by the operation of Fundamental Rules 22 and 31.

(ii) to any other probationer

(1) while he is undergoing a course of instruction or training, the pay specified in the special rules in that behalf; and

(2) after he has completed the course of instruction or training, if any, the pay of the lowest grade or the minimum pay in the time scale of pay, as the case may be, applicable to the category for which he was selected as modified in either case by the operation of Fundamental Rules 22 and 31.

(iii) to an approved probationer, the pay which would be admissible to him if he were a full member of the service in the category to which he is holding a post.

Explanation.—An approved probationer shall be entitled to count the period of his probation for increments in the time scale of pay, if any, applicable to the category for which he was selected.

(iv) to a person appointed under rule 4 to hold temporarily a post borne on the cadre of a service, class or category, either his substantive pay or the pay of the lowest grade or the minimum pay in the time scale of pay, as the case may be, applicable to such service, class or category, whichever is higher.

11. *Appointment of full members.*—(a) An approved probationer shall, if a substantive vacancy in the permanent cadre of the category for which he was selected exists, be appointed to be a full member of the service in such category at the earliest possible opportunity; and if such vacancy existed from a date previous to the issue of the order of appointment, he may be so appointed with retrospective effect from such date or, as the case may be, from such subsequent date from which he was continuously on duty as a member of the service in such category or in a higher category

Provided that where more than one approved probationer is available for such appointment as full member, the seniormost approved probationer shall be appointed.

(b) Where the special rules provide that recruitment to any service, class or category shall normally be both by direct recruitment and by transfer, the provisions of sub-rule (a) shall apply separately as regards

(i) vacancies against which persons have been recruited direct; and

(ii) other vacancies.

(c) No approved probationer shall be required to produce a medical certificate of physical fitness before appointment as a full member of the service:

Provided that in the case of an approved probationer who is not a full member of any other service, provincial or subordinate, the appointing authority may, if it has reason to believe that the probationer's physical fitness has seriously deteriorated since he satisfied the Commission under clause (iii) of sub-rule (a) of rule 5, require him to undergo a fresh medical examination. If on such examination he is found to be physically unfit for the service in the category for which he was selected, the appointing authority shall discharge him from the service.

(d) No person shall at the same time be a full member of more than one service, provincial or subordinate.

A probationer, approved probationer or full member of one service who is appointed to be a full member of another service shall cease to be a member of the former service.

A probationer in any service who is not on duty in that service may be appointed to another service, but if subsequently he is required for duty in the former service while on duty in the latter, he shall elect the service of which he wishes to be a member and on such election, he shall cease to be a member of the other service.

A probationer in any service who is on duty in that service may, if he is willing to give up his membership of that service, be appointed to another service. On such appointment, he shall cease to be a member of the former service

13. *Seniority in the Service.*—(a) The seniority of a member in any service or class of a service shall be determined by the date of his first appointment to such service or class or in the case of a person governed by sub-rule (b) of rule 8, by the date on which he commences his probation under that sub-rule:

Provided that if any portion of the service of a member does not count towards his probation, his seniority shall be determined by the date of the commencement of his service which counts towards probation:

Provided further that where a service or class consists of more than one category, a person who is appointed to the service or class in a higher category shall take rank in such service or class

(i) until he becomes an approved probationer in such higher category, next below the person who was last appointed, whether substantively or in an officiating capacity, to hold a post in such higher category; and

(ii) on his becoming an approved probationer in such higher category, either next below the person referred to in clause (i) or next below the person who was last appointed substantively to a post in such higher category or, if any person or persons have become approved probationers in such higher category after such substantive appointment, next below such person or such of those persons as completed his probation last as the case may be, whichever will give him the higher rank.

(*b*) Where the date by which seniority is determined under sub-rule (*a*) is the same in the case of two or more members of a service or class, their seniority *inter se* shall be determined by the order of preference, if any, laid down by the Commission in their case. If no such order of preference has been laid down or in case of doubt, seniority shall be determined by the Commission.

(*c*) A member of a service or class shall, unless he is reduced in seniority as a punishment retain seniority in such service or class as determined by sub-rules (*a*) and (*b*) throughout his service notwithstanding any delay in the completion of his probation or in his appointment as a full member of the service or class and irrespective of the category in which he may, from time to time, hold a post.

(*d*) Where a member of any service, category or grade is reduced to a lower service, category or grade, he shall be placed at the top of the latter unless the authority ordering such reduction, after consultation with the Commission, direct that he shall take rank in such lower service, category or grade, next below any specified member thereof.

14. *Promotion.*—(*a*) All promotions shall be made by the appointing authority.

(*b*) Where special qualifications or special tests are prescribed by the special rules of a service for any category, grade or post therein, or in a class thereof, which are not prescribed for a category or grade in such service or class carrying a lower rate of pay, a member in the latter category or grade shall not be promoted to the former category, grade or post, whether in a permanent, officiating or temporary capacity, or

where such qualifications or tests are prescribed by the special rules for passing any specified stage in the time-scale of pay applicable to any service, class or category or any post borne on the cadre thereof, a member in such service, class or category or holding such post shall not be permitted to pass such stage unless he

(i) possesses such qualifications or has passed such tests, or

(ii) possesses such other qualifications as may be considered by the Commission to be equivalent to the said qualifications or tests:

Provided that if none of the members in the category or grade carrying the lower rate of pay is eligible for promotion under this sub-rule, a member in such category or grade may be promoted to the category or grade carrying the higher rate of pay temporarily until a member of the former category or grade qualified under this sub-rule is available for promotion. A member temporarily promoted under this proviso shall not by reason only of such promotion, be entitled to any preferential claim to future promotion.

(*c*) (i) Promotions in a service or class, to a selection category or to a selection grade, shall be made after consultation with the Commission. Such promotions shall, subject to the provisions of sub-rule (*b*), be made on grounds of merit and ability, seniority being considered only where the merit and ability are approximately equal.

(ii) All other promotions shall, subject to the provisions of sub-rule (*b*), be made in accordance with seniority unless—

(1) the promotion of a member has been withheld as a penalty; or

(2) a member is given special promotion for conspicuous merit and ability.

Such special promotion shall be made after consultation with the Commission. The reasons for giving such promotion shall be recorded in writing and communicated forthwith to all the members of the service affected.

(*d*) A member of a service promoted from one category to another shall be on probation in the latter category for a total period of two years on duty within a continuous period of three years. The promotion of a member of a service from one category to another shall, as regards probation, be treated in the same way as a first appointment to the service in the latter category and all the rules governing appointment to the service in the latter category shall *mutatis mutandis* apply.

(*e*) The provisions of sub-rule (*c*) of rule 4 shall apply *mutatis mutandis* to promotions also.

(*f*) Notwithstanding anything contained in sub-rule (*d*), the following provisions shall apply to promotions from a lower to a higher category of a service or class of a service in cases where the lien of a member

of such service or class on a post borne on the cadre of the lower category is or has been suspended by reason of his being on foreign service or otherwise :—

(i) if a substantive or officiating vacancy in the higher category arises during the period of suspension of the lien of such a member, he shall, if considered fit, be promoted in his turn to the higher category substantively or in an officiating capacity, as the case may be, subject to the condition that he shall on reversion to duty in the said service or class, undergo and satisfactorily complete the probation prescribed in sub-rule (*d*) in respect of such higher category; and

(ii) if a substantive or officiating vacancy in the higher category is in existence when such a member returns to duty in the said service or class or arises after such return, he shall, if considered fit, be promoted to the higher category substantively or in an officiating capacity, as the case may be, in preference to any other member who is junior to him, subject to the condition that he shall undergo and satisfactorily complete the probation prescribed in sub-rule (*d*) in respect of such higher category.

14. *Postings and transfers.*—(*a*) A member of a service or class of a service may be required to serve in any part of the Presidency of Madras in any post borne on the cadre of such service or class :

Provided that no such member shall be posted or transferred to any post unless he—

(i) possesses such special qualifications and has passed such special tests as may be prescribed for such post in the special rules, or

(ii) possesses such other qualifications as may be considered by the Commission to be equivalent to the said qualifications and tests.

(*b*) All transfers and postings shall be made by the appointing authority

15. *Pay, allowances, leave, leave salary, pension and other conditions of service.*—The Fundamental Rules and the pension rules for the time being in force shall, except to the extent expressly provided in these rules or the special rules, govern members of every service in the matter of their pay, allowances, leave, leave salary, pensions and other conditions of service :

Provided that where any such member has elected to be governed by the provisions of the Civil Service Regulations, those provisions shall apply to him.

16 *Savings.*—(*a*) (i) Nothing in these rules shall adversely affect any person who was a member of any service on the date of the coming into force of these rules.

(ii) Nothing in any special rules governing a service shall adversely affect any person who was a member of such service on the date of the coming into force thereof.

(*b*) Where these rules or the special rules would adversely affect in respect of any matter a person who was a member of any service before the date of coming into force thereof, he shall, in respect of such matter, be governed by the rules and orders, if any, which were applicable to him immediately prior to such date :

Provided that if there were no rules or orders prescribing the period of probation, applicable to him on such date, the provisions of these rules and the special rules regarding probation shall apply to him and any service rendered by him before such date shall count towards probation if and to the extent such service would have counted, had these rules and the special rules come into force at the time of his first appointment.

(*c*) If, before the issue of the special rules, a person had been exempted under the orders then in force from the possession of any qualification or the passing of any test and the possession of such qualification or the passing of such test is prescribed by such special rules, they shall not apply to such person to the extent and in respect of the category, grade or post, specifically covered by the order of exemption.

[Typewriting Qualifications for Clerks in Government Offices.]

No. 133.—The attention of prospective candidates for employment in clerical posts under the Government is hereby drawn to the fact that under the statutory rules governing recruitment to such posts no person will be eligible to be considered for appointment as clerk after the 1st January 1934 unless he has passed the Government special test in typewriting by the higher grade or by the lower grade in an examination held after the 1st January 1933. Till the 1st January 1934 persons who have passed the test will be given preference over those who have not and the latter can, in any case, not be confirmed or promoted on the minimum of their scale of pay unless and until they pass it. Persons who wish to take up clerical appointments under the Government of Madras should therefore acquire the qualification without delay. അല്ലിയ സന്താന മെന്നതിനെ മരുമക്കത്തായ തറവാട്ടിൽനിന്നു നടിച്ചുവിടുവാനുള്ള കാരണം വിവാഹത്തെയും സ്വന്തം വിശേഷത്തെയും പറയിയ അദ്ധ്യായത്തിലെ ചില നിബന്ധനകളോടു ബന്ധപ്പെട്ടതാണെന്നു തോന്നുന്നു. ഒരു പക്ഷക്കാർക്കുള്ള വിദേശിയും, നിയമസഭയിൽ അംഗമായിരിപ്പിച്ചിരുന്ന ഒരു കോതിയുടെ ഭരിച്ചുത്തായി നീക്കിവയ്ക്കപ്പെട്ടതായ ജീവപര്യന്തമുള്ള അവകാശങ്ങളെപ്പറ്റിയ ചട്ടം ബില്ലിൽ പുനരവതരിപ്പിക്കാൻ വളരെ ജനങ്ങൾ പ്രേരിപ്പിച്ചിട്ടുള്ളതായി കാണുന്നു. വിവാഹത്തെയും മരുമക്കത്തായപ്രകാരമുള്ളതായ പിൻതുടർച്ചയെയും കുടുംബ ജീവനത്തെയും വസ്തുവിഭാഗത്തെയും പറ്റി നിയമം നിർമ്മിക്കുന്നതു തൊഴുത്തായ നിയമം അനുസരിക്കുന്നവർക്കുള്ള പൊതുജനത്തെ അല്ലിയസന്താന നിയമം അനുസരിക്കുന്നവർക്കും അവശ്യമായിട്ടുള്ളതാകുന്നു. ഇപ്പോഴത്തെ ബിൽ തങ്കൈ കണ്ണാടക ജില്ലയിലെ പല അല്ലിയസന്താന സമുദായങ്ങളിലും പെട്ട വളരെ ജനങ്ങൾ പ്രേരിപ്പിച്ചിട്ടു അഭിപ്രായങ്ങളും അഭിപ്രായങ്ങളും അനുസരിച്ചു മരുമക്കത്തായ ബില്ലിന്റെ രീതിയിൽ എഴുതിയതാകുന്നു.

ഈ ബിൽ, ഓരോ സമുദായത്തിലെ അംഗങ്ങളുടെ ഇടയിലുള്ള വ്യക്തിപ്രകാരമുള്ള വിവാഹം നിയമാനുസൃതമാക്കുന്നതിനു എഴുതപ്പെട്ടതാണു. അതു മാതിയുമായുള്ള വിവാഹം അല്ലിയസന്താന സമുദായത്തിൽ കേട്ടിട്ടില്ലാത്ത ഒരു കാര്യമാകുന്നു; ഈ വഴിക്കായതൊരു പരിഷ്കാരവും ഇപ്പോൾ അത്യന്താപേക്ഷിതമായും ചെയ്തിരിക്കുന്നു. വിവാഹമോചനം ലഭിപ്പാനും ഭർത്താവിൽ നിന്നു തെലിയിനെ അവകാശപ്പെടുവാനും വേണ്ടി കോടതിയുടെ സഹായം തേടുന്നതിനും ജനങ്ങളുടെ അഭിപ്രായം വിരോധമാണ്. അതുകൊണ്ടു ഈ കാര്യങ്ങൾക്കായി യാതൊരു നിയമവും ചെയ്തിട്ടില്ല. മരുമക്കത്തായപ്രകാരമുള്ളതായ പിൻതുടർച്ചയെപ്പറ്റിയ അദ്ധ്യായത്തിൽ ചില്ലറ ഭേദഗതികൾ വരുത്തിട്ടുണ്ടു. എന്നാൽ കർണ്ണാടക ജനത പറയിയ അദ്ധ്യായം മരുമക്കത്തായ ബില്ലിൽ ഉള്ള പോലെ തന്നെ ചെയ്തിട്ടുണ്ടു. വസ്തുവിഭാഗത്തെപ്പറ്റിയ അദ്ധ്യായത്തിൽ, ഭർത്താവിന്റെയും പുത്രിയുടെയും പുത്രന്മാർ അതിനു സമ്മതിക്കുന്നതായാലല്ലാതെ അവരുടെ ജീവകാലത്തിൽ ഭാഗം ചെയ്തിരിക്കുവാൻ പാടില്ലെന്ന നിയമം ചേർത്തുകൊണ്ടു വസ്തു വിഭാഗത്തിനു നേരിട്ടു ചെയ്യാൻ ഒരു കവനിനുള്ള അധികാരത്തെ, പിന്നെയു

കുങ്കിയിരിക്കുന്നു. ഇതിനാൽ വസ്തുവിഭാഗം ഒരു സമ്പൂർണ്ണ മായും നിലിക്കുന്നതാകുന്നു. മറ്റു വാക്കിയാൽ വസ്തു വിഭാഗത്തിനു ആരുടെയെങ്കിലുമുള്ള അധികാരം കൊടുക്കുന്ന പക്ഷം ഉടമ ബില്ലിന്റെ മുമ്പാകെ അനുഭവസ്ഥനായ അനന്തരാവകാശിയുടെ വിശേഷം മനിക്കയാൽ അയാൾ നിശ്ചിതമായിരിക്കുന്നു. പുതിയ വാക്കം കൂടി ഉണ്ടാകുന്ന പ്രായം കഴിഞ്ഞതുപോയ സ്ത്രീകൾക്കും നിസ്സന്താനികൾക്കും ജീവപര്യന്തമുള്ള അനുഭവാധികാരം മാത്രം കൊടുക്കുന്ന ഒരു നിയമത്തെ ചേർത്തിട്ടുണ്ട്. മരുമക്കത്തായ ബിൽ സഭയുടെ കമ്മിറ്റിക്കാരുടെ വകയിൽ നിന്നു വന്നപ്പോൾ അതിലുണ്ടായിരുന്നപോലെ തന്നെ അവിഭാജ്യ തറവാട്ടുകളെ ചാറിയതായ ഭാഗവും ഈ ബില്ലിലും ചേർത്തിട്ടുണ്ട്. ഈ ബില്ലിൽ വന്നതിയായ ഭേദഗതികൾ ഈ ബില്ലിനെ അനുഭവസ്ഥനാകാതെ ഇരിയിൽ നടപ്പുള്ള വഴക്കങ്ങൾക്കു അധികം തടസ്സമാക്കിത്തീർക്കയും അവയുടെ ഉടയിലുള്ള യഥാസ്ഥിതിക പക്ഷക്കാരിൽ വളരെ പേർക്കും ഇതു സ്വീകാര്യയോഗ്യമാക്കിത്തീർക്കയും ചെയ്യും.

Note.—Candidates will distinctly understand that no notice will be taken of any letter requesting to be informed of their register numbers, etc.

III. Regulations to be observed by the Candidates.

Both at Madras and in the Mofussil.

(1) Candidates must bring with them for use in the examinations their own rulers, erasers, knives, pens, pencils and carbon papers.

(2) Instructions regarding the Examinations in Typewriting—

Both at Madras and in the Mofussil.

1. Candidates in Typewriting will have to bring their own Typewriters, rulers, erasers and also the necessary carbon paper with them and must specify clearly on their answer papers, the particular kind of machine used by them as otherwise their answer papers will not be valued.

2. The following is the list of the names of Typewriters recognized for use in the examinations :—

The Remington; Remington Portable, New Model Remington No. 12; Yost; New Century; Smith Premier; Densmore; Empire; Underwood; Underwood Portable; Oliver; Armstrong; Standard Folding; Stearn's Visible, Box Typewriter; Fox Visible; Salter; Victor Typewriter—Model No. 3 and No. 30; Monarch; Noiseless, Wood Stock Standard Visible; Royal Standard No. 10; Fox Visible; Mello; Mercedes; Densmore-side; Elite, Imperial Typewriters, British Empire Typewriter; Corona Portable No. 4; All British Barlock Typewriter; Royal Portable, Mess; Keyed; Imperial Typewriter Model No. 50; 'Higa Premier' 'Caxton Model 'B'' ; or L. C Smith & Bros. machine.

Note.—Only one particular kind of machine should be used by the candidate throughout the examination.

3. Seats and accommodation for the candidates :—

(a) Candidates will be permitted to bring with them for their use at the examination hall their own tables, chairs or stools, if they choose; provided they take care to see that by so doing, they do not give room to the slightest disturbance being caused in the examination hall.

(b) The candidates will be allowed to take their seats in the examination hall five minutes before the appointed hour for giving out the question paper and supplied with the necessary paper for answering and get their machines ready for work with paper inserted in them and to have their register numbers at the left hand corner of their answer papers and the particular kind of Typewriter they use at the right hand corner typed, before the question papers are given to them.

4. Candidates are strictly told not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on one of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are strictly warned not to take carbon copies more than what is required of them in the question paper.

5. The candidates will, if necessary, be examined in batches, but at least *every four* candidates for the Lower grade, at least *every two* candidates for the Higher grade, must have one machine among them.

6. Managers and Instructors of institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

7. Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while these pupils are answering the question papers.

8. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate that to the Manager or Instructor, if he is waiting outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; his action will be purely *ex gratia*. The whole responsibility resting on the candidate and the Manager or Instructor.

A similar concession will be allowed in the case of a private candidate, if he has access outside who is willing to inspect the machine and put it right, etc.

No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.

In the Mofussil.

Heads of institutions who are desirous that their pupils should be examined in Typewriting should make the necessary arrangements with the Chief Superintendent concerned *four* days before the examination and furnish

him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

Lower Grade—Candidate's Hall Ticket.—Tickets of admission specifying the particular batch (first or second and so forth) to which the candidate is to appear) will be issued on Thursday, the 19th October 1933, between 11 a.m. and 5 p.m. at the Office of the Commissioner for Government Examinations, Old College, Nungambakkam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not produce them will be admitted to any particular batch. They will be admitted only, if spare seats are available in the hall, i.e., after seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chance of being provided with seats in the first or in any subsequent batch. To avoid all inconvenience and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on Thursday, the 19th October 1933, with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission accordingly. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

Candidates that have such a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

Candidates for the *Higher grade* may appear for the first or second batch at their option and *no tickets accordingly are issued for this grade.*

Instructor's Hall Ticket.—Managers or Instructors of Institutions and other persons who wish to be allowed into the examination hall in the intervals between the examination of the various batches to inspect the machinery and effect of the various batches to inspect the machinery and remedy any defects, are requested to call at the office on Thursday, the 19th October 1933, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Both at Madras and in the Mofussil.

(iii) Attention is particularly drawn to the following rules:—

1. No candidate will be allowed to enter the examination hall unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head; nor will he be allowed to keep his shoes on unless they are shoes of English pattern; and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination hall.

2. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to quit the examination hall on any day until the expiration of half an hour from the time fixed for the commencement of the examination and candidates arriving after the expiration of that half hour will not be admitted.

3. No candidate will be allowed to re-enter the examination hall during the hours of examination after he or she quitting it, nor to leave the hall without finally giving up his answer papers.

4. Strict silence should be maintained in the examination hall.

5. No *candidate* will, on any account, *be allowed to* take into the examination hall *notes, books, or* portion of a book, relief sheets, memoranda or *papers of any kind.* Any candidate detected in the violation of this rule or detected in speaking to, or in any way communicating with or copying from each other and in communicating with any other person *while* in the examination hall or having communication to any unfair practices will be sent out of the hall forthwith, and his conduct reported to the Commissioner for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

6. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

7. Candidates are forbidden to tear up paper, as to throw ink or paper on the floor. All "spoilt" copies, etc., should be left on the desk where the candidate has been writing.

8. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instruction on this point in the examination hall from the Chief Superintendent of the examinations.

9. No candidate will be allowed to exceed the time assigned to each paper.

10. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

11. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves including *their address*, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

12. Candidates are requested to note carefully the particulars printed in the nominal list and satisfy themselves whether they tally with those as given by them in their applications for admission to the examinations, so that any alteration with regard to their initials, names or class of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

13. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

14. The answer papers should be stitched or pinned together at the upper left hand corner, and the whole folded into two lengthwise (not crosswise into four). The register number, the place of examination and also the name and number of the typewriter used should be written out clearly by the candidates on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[*N.B.*—(1) candidates are strictly forbidden to write or type their names on the answer papers.

(2) Candidates should distinctly understand that failure to furnish even any one of the particulars may involve the rejection of valuing their answer papers—particularly any answer paper sent up either the candidate's register number and name of centre will not be valued.]

15. *Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connexion with the examinations or whose answer papers contain objectionable matter, is liable to have his examination annulled and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination in which he appeared, his success or failure being determined on the results of such re-examination.*

10. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

17. No information can be furnished in regard to the results of a candidate or in regard to the marks obtained by him or in regard to the particular section or subdivision on which he may have failed. The names of successful candidates in each subject arranged in two

classes, First and Second, will be published in the *Fort St. George Gazette*. The pass list for each grade of a subject so published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates asking for information as to the cause of failure or for a revaluation of the answer papers will not be attended to. No revaluation of answer papers is permissible.
